FLIGHT
Operating Procedures

Please sign and submit the form below agreeing that the airstrip is "fly at your own risk."

- A copy of aircraft insurance is required. For rented aircraft, please have the rental company send a copy of their insurance to Goulding's Resort & Tours.

- Please tie down all aircraft if it will be unattended (sudden windstorms are common). BRING TIE DOWNS.

- No overnight flights in the areas south and west of the runway, between the runway and mesas. Do not "buzz" any of the Goulding's Resort & Tours buildings.

- Any grounded equipment or aircraft that is to be left at the Goulding's airstrip after you leave must be cleared with management.

- Ground equipment (trailers, etc.) should be parked on the west side of the airstrip in the big gravel area south area of the windsock. Do NOT park near the hangar or on the paved area.

- The asphalt parking area at the south end of the airstrip is reserved for commercial aircraft. Other aircraft should use the dirt parking area west of the runway.

- No touch-and-go.

- Take off is from runway 34 and landing is on runway 16.

- CTAF is 122.9.

- Field elevation is 5,208'. Be aware of density altitude.

Goulding's Resort & Tours is a separate entity from the Monument Valley Tribal Park, and therefore does not have the authority to grant access to fly over the park. Please contact the park directly to obtain a permit.

PARAGLIDER RESTRICTIONS: Monument Valley Tribal Park is a NO fly zone for paragliders, however Goulding's does allow paragliders to land and take off from our runway before 8:30am and after 5:00pm. Anyone seeking a permit to fly over monument valley will need to do so with the Navajo tribal park.

PERMISSION IS REQUIRED BEFORE LANDING - CALL 866-957-5123 FOR PERMISSION.

I understand that the Goulding's Monument Valley Airport is a private airport and that I assume all risks involved with airport operation and Goulding's is not responsible for any damage or loss of personal property.
